GOD BLESS OUR LITTLE ANGEL

God blessed you with this exciting gift
The most valuable gift you could ever receive
A chance to have someone so dear
Such a short time though that's true
God takes those that He loves best first
That's only a chosen few. She was born into this world
a bundle of joy
And gone like a winter breeze
Strength and love will help you through this sad time
Do your best, have courage, try not to cry
For a happy angel was this little one
Full of laughter and a beautiful smile
You were oh so blessed with many memories
Of this beautiful child you've shared
No matter what you do in your lifetime,
Nah-Ana will always be there
I have but one thought to instill in your minds
You've never gone until you are forgotten
She will live forever within all our hearts
She gave us all a thought to remember
It has been a pleasure to have this sweet little girl
She is now with the Mighty Saviour
To the parents of this special child
{ Do what you can to keep doing your best
And many happy memories will help you do the rest
God bless you, little angel
